CQC GP DASHBOARD KEY TABLE DESCRIPTIONS

CQC_GP_Current_Ratings	This table contains the latest inspection ratings data for GP locations. This does not contain data for GP locations that have new assessment ratings.
CQC_Assessment_Ratings	This table contains the latest assessment ratings for GP locations. It includes only those GPs with new assessment ratings.
CQC_GP_Ratings	This table contains data for all GP locations. This is the final data output table obtained by combining the two tables above.
