

CQC CARE HOMES DASHBOARD - UDAL TABLES DATA FLOWCHART

CQC CARE HOMES DASHBOARD KEY TABLE DESCRIPTIONS

CQC_Carehome_Current_Ratings	This table contains the latest inspection ratings data for Care Home locations. This does not contain data for Care Home locations that have new assessment ratings.
CQC_Assessment_Ratings	This table contains the latest assessment ratings for Care Home locations. It includes only those Care Homes with new assessment ratings.
CQC_GP_Ratings	This table contains data for all Care Home locations. This is the final data output table obtained by combining the two tables above.
